- ◆ Health and Well Being
- ◆ Sanitation
- ◆ Environment
- ◆ Education
- ◆ Socio-cultural rights
- ◆ Energy security &
- ◆ Governance

# OUR VISION

Empowerment of people in general and women in particular for a healthy life, living with dignity and contribute to their development as partners in progress, in an atmosphere free from violence and discrimination.

# OUR MISSION

- To engage with, involve and empower the people, girls and women including the working and elderly women to help address the felt needs, concerns and aspirations on issues related to health, sanitation, gender equity and others.
- To promote Social and Economic Empowerment by engaging with them, ensuring their participation as equal partners and to help actualize their true potential.
- To enhance the awareness about policies, programs and measures related to health and sanitation.
- To inspire, motivate and make them aware of their rights.
- To create an enabling environment.
